

Order Confirmation

Thank you for your order!

We're processing your request.

Visit fido.ca/trackpackage to track your order or get your tracking number using AskJack, our Virtual Assistant. You will also get a shipment confirmation email once we ship your order which will include a tracking number.

Any plan changes made are effective immediately, but any applicable monthly fees for this device will not begin until the device has been delivered. For help with activating a SIM card and more Wireless support, see fido.ca/support.

 **Things to know about purchase:**

Need Help?
